Dear Colleagues & Friends of NCSP:

All of us at New Castle Stainless Plate carry on with sadness given the sudden passing of our colleague, Brian Chew, on April 13th, 2025.

Brian was a loving and committed husband, father, son, brother, uncle and friend, who is deeply missed by those who knew and loved him.

We were lucky to have been a part of Brian's life and to work with such a talented individual who worked hard every day and did so with a quiet strength and humility.

Warmest Regards,

A handwritten signature in black ink that reads "Kevin Keeley". The script is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
